

Alleluia

Written by Michael and Jessica Williams

Verse:

C#m B A
You have lifted me from darkness
C#m B A
You have rescued me from death
C#m B A
And until your voice I harken
C#m B A
As your song it steals my breath

Chorus:

E E/G# A
You sing, I love you
E E/G# A
You sing, I love you
E E/G# A
My soul cries, Alleluia
E E/G# F#/A
Alleluia

Bridge:

A
You always love us
B
You're always for us
C#m E/G#
And you don't withhold anything from me
