## Verse:

          C                  Em  
There's a closeness between us now  
          C                  Em  
My reflection seen in your eyes

The whole world fades at the sight of you  
          C                  Em                  F#/D  
My praise now drenched in your Glory's dew

## Pre-Chorus:

Em                  D  
Now I join the angels  
                  Em  
Cause every time they fly  
                  C  
They see you brand new

## Chorus:

G                  F#/D  
I will give it all for you God  
Em                  C                  G  F#/D  
I will trade it all to have you, My Lord

For You are the prize, You are my reward

## Bridge:

          C  
Come in as the lion  
          D  
Be seen as the lamb  
          C (Em)  
Our mighty defense  
          D (F#/D)  
Here where I am
