## Yours Is The Victory

Written by Michael and Jessica Williams

### Verse:

G                    Em C G    Em C  
I won't back down, I won't relent  
        G                    Em        C  
For just like all the battles I've seen  
        Em        D        C  
Still yours in the victory

### Chorus:

        G  
You don't run from the dark  
        F#/D  
You don't hide from the storm  
        Em    D    C  
As you take my hand, here with confidence I'm standing singing  
Em                    D        C  
Yours is the victory

### Verse 2:

G                    Em C G                    Em C  
I will not fear, for I cannot fail  
        G                    D                    C  
For just as all the battles I've seen  
        Em        D        C  
Still yours is the victory

### Bridge:

        Am  
I can go anywhere you ask  
        Em  
I can do anything you say  
        G  
For I am never alone  
        D  
You are always with me
